From the list above, CIRCLE your "TOP 2" more unique/impressive items.

Now craft your intro speech, making sure to include most of the following components...

- |   |  |

Example:

*Happy Saturday to everyone! I'm GeNienne with a G... not a J. I was born and raised in Richmond, VA and graduated with a double major in Business and Women Studies from the University of Richmond. I'm a former professional cheerleader for the NBA but my heart is with the NFL!! I hope to one day wear burgundy and gold! When I'm not rooting on my favorite football team, I'm the Director for a non-profit organization that provides food, housing, education, and training to our Unites States Veterans. Based on my professional support of the military, it would mean the world to me to be able to perform for our troops overseas one day as an NFL Cheerleader! Thanks so much for your time today!*

## Your Turn...

*Remember... make it Memorable, Unique, Short and be sure to Articulate!*
